## **EARTHDOG PRACTICES**

### **September 11 & October 3**

Purina Farms - 200 Checkerboard Drive, Gray Summit, MO

### **PRACTICE INFO:**

An Open Practice will be held for anyone interested in Earthdog, whether entering the tests or not. If you've been curious and want to learn more, come on out and introduce your woofers to the ratties! We will be practicing ALL LEVELS of earthdoggin' skills.

In order to organize the practices, please email Lucy Shinkle with your dog(s) name and class levels you are competing in so we can add you to the practice list. See the times for each level.

Be sure to email Lucy AND Purina Farms at least 24 hours before the event if you plan to attend so you can be added to the VIP List!

**Please dress appropriately for the weather and bring water for yourself and your dog.**

Gateway Terrier Association is thrilled to be back in action at Purina Farms and bringing you two, **yes 2**, opportunities to practice!

Due to Covid restrictions, we must have your name, phone number, and which days you plan to attend to be admitted by the Security Officers at the entrance gate.
